THANK YOU

"Thank you for your continued support of our golf tournament! This is a wonderful opportunity to share time with our peers while making a positive impact in our community by raising funds for local charities."

– Austin Whitehead

President of the

Coastal Association of REALTORS®

COASTAL REALTORS® FOUNDATION

The Coastal REALTORS® Foundation is a charitable fund held by the Community Foundation of the Eastern Shore.

The association raises money for the fund through an annual charity gold tournament as well as other efforts throughout the year.

The fund is accessible to members of Coastal through an application process administered by the association and reviewed by a committee of members. Grant recipients must be 501(c)3 organizations and must be located in Somerset, Wicomico, or Worcester counties.

Throughout the year we raise money for the Coastal REALTORS® Foundation through raffles, our golf tournament held in October, and donations from our members. With over 1000 members on the Lower Shore, REALTORS® give back countless amounts of their time, money, and expertise to nonprofits. Grants are awarded 3 times a year.
